Attention: Mr. William Rhodes

Gentlemen:

In response to your memorandum addressed to Federal Energy Coordinators, enclosed are five copies of our annual report on Energy Management. This report reflects the energy usage in areas for which we exercise management responsibility. We have incorporated, wherever possible, energy standards in all ongoing programs which offer potential energy savings. These actions continue to demonstrate our determination to control energy demand in every quarter.

If you require further information concerning this report, please contact [redacted] telephone [redacted]

Sincerely,

/s/ James H. McDonald
